Community Message will now be provided by Pastor James Kirkwood.

I am working with TDOC on the Letters that will be hand-delivered to each offender by TDOC. They will be signed by Comm Parker and should be ready to go next week.

I will also be working on a brief uniform message for each of the speakers and send to you for your review. Obviously, I am not going to tell you what to say. But the message across the board needs to be uniform and brief.

Thanks again for all the work.

Team,

We have done it!

Thanks to the hard work of all of you and your agencies, we are weeks away from our First Focused Deterrence Call In. And we have been able to schedule it when our PSP partners are in town.

Community Accountability--Community Support: Focused Deterrence

Date: February 6, 2018

Time: 6 pm panelists arrive

6:15 pm participants arrive

6:30 pm program starts

Location: TDOC Day Reporting Center

1991 Corporate Ave Suite 600

I am sending this link from a Call In in Madison, WI. This is the team, as you recall, that came to town in August and conducted training for us. Go to the website and enter "police notification" under the library section.

I am also attaching a very, very rough agenda so you can see who will have speaking parts. Need your thoughts, gripes, suggestions. As we have discussed, the message from the law enforcement speakers needs to be uniform and brief----- 2-3 minutes per person. I will send more on this later.

The message from our Service Providers will and should be a bit longer.

B T Washington has agreed to deliver our Community Message. It will be short as well. He was recommended to me by one of our community prosecutors. He (until recently) ran the Raleigh Police Joint Agency, retired military, passionate about community.

15 defendants will soon receive letters "inviting" them to the event. The letter will be signed by Comm. Parker—and perhaps other. More on this later.

We will invite media to the event as well.

Thanks for reading this. Let me know what I have forgotten, neglected etc.

Next week, we will contact your offices and find a date, time for all of us to meet at the Day Reporting Center so we can do a quick walk- through and be ready for Feb. 6th.
